

Information

Attention cyclists: Did you miss riding the Monongahela Valley Century (MVC) for the past several years? The sponsors of the MVC, Monessen Amateur Radio Club (MARC), have missed being able to present it for you. For 2021 and beyond MARC has created the "Monongahela Valley Century, Town & Country Edition." We have added to the "country" portion of the route, with some new travel on lightly used local roads, in Washington and Greene Counties. The result is that we can now offer a true century ride of just over 100 miles. Our alternate will be a metric century (and a bit more) of 116 kilometers (about 72 miles). The MVC Town & Country Edition will begin at the old river town of Monongahela, PA and will include visits to all five southwestern PA counties; Washington, Westmoreland, Allegheny, Fayette, and Greene. Ample parking is available in Monongahela (meters needn't be fed on Sunday) and multiple restaurants and convenience stores can fill your last-minute needs or provide post-ride recovery.

Food

A lunch stop is included for all riders. The 100-mile riders will receive two snack stops plus the lunch stop. The 70-mile riders will receive a snack stop plus the lunch stop. Lunch served at a scenic riverside park.

Support

Riders will be SAG supported until 4:00 PM. We will pick up those who can't finish due to Major bike problems or fatigue. You and your bike are required to be in good "riding" shape for the tour and able to deal with minor bike issues (i.e.: flat tires). It is suggested that you always carry a spare tube and a good pump.

Helmets

MARC recommends that all riders wear a helmet that meets the "Latest Snell Bicycle Helmet Specification" for their best protection.

Free Parking

Parking is available throughout Monongahela. No parking meter fees are charged on Sundays.

MARC

MARC, Monessen Amateur Radio Club, is a community service organization that can provide vital communication links during weather emergencies and other natural or man-made disasters. In addition, they actively participate in community events such as air shows, marathons and parades. For additional information about MARC, Check us out on Facebook.
